Mechanicsburg Chamber of Commerce Contributes to Juvenile Diabetes Research Foundation

Mechanicsburg, PA — April 3, 2013 —The Mechanicsburg Chamber of Commerce recently made a \$1,132 donation to Juvenile Diabetes Research Foundation’s Central PA chapter.

The gift was made possible by fundraising efforts made in 2012 by the Chamber of Commerce staff and membership, as well as the community, during the Chamber’s Annual Golf Outing in September.

“Every year with the oncoming of a new board president, the Mechanicsburg Chamber of Commerce selects a ‘Charity of Choice’ to feature throughout the year,” explains Jeff Palm, Executive Director of the Mechanicsburg Chamber of Commerce. “We feel honored to help a local organization whose research and efforts assist in treating, preventing and finding a cure for Type 1 Diabetes.”

Throughout 2012, the Mechanicsburg Chamber of Commerce supported JDRF as its “Charity of Choice” by raising awareness for the organization, and encouraging others to support the organization through donations, volunteer hours or fundraising efforts.
