

# Community Job Fair

The Cumberland County Job Fair is a cooperative effort between the Carlisle Regional, Mechanicsburg, Shippensburg Area and West Shore Chambers of Commerce, in partnership with the PA CareerLink and many organizations, businesses and educational facilities throughout the County. This Fair is designed to help showcase area employment needs while providing an easily-accessible venue to the local worker population. Job seekers attending the Fair will have an opportunity to: meet employers and search employment openings; have a business professional review their resume; learn more about unemployment compensation and PA CareerLink services. All of these offerings are free of charge to job seekers.
