OSS Health Celebrates Grand Opening in Mechanicsburg

Mechanicsburg, PA — October 31, 2013 — York-based OSS Health recently celebrated the grand opening of its new Mechanicsburg facility with a ribbon cutting ceremony with the Mechanicsburg Chamber of Commerce.

The new office, which offers orthopaedic urgent care, marks the company's fifth location, second urgent care center, and its first facility in Cumberland County. Spanning also through York, Adams, and Dauphin counties, OSS Health provides a full range of orthopaedic and pain management services including fracture care, spine and joint care, sports medicine, urgent care, podiatry, imaging and rehabilitation.

These moves reflect OSS Health's vision of making orthopaedic and spine care available in South Central Pennsylvania. "We are excited to be adding expanded services for orthopaedics in Cumberland County," says Todd Lord, CEO of OSS Health. "With this new office, we have made top-quality orthopaedic care accessible to more residents of Mechanicsburg and the surrounding municipalities. "Patients can avoid the typical hospital emergency room and come see a dedicated orthopaedic provider for treatment of back and neck pain, fractures, sports injuries and strains and sprains." Jeff Palm, Executive Director of the Chamber of Commerce added, "We're proud to have a business right here in our community that's committed to enhancing the health and well-being of those in need of immediate orthopaedic care."

OSS Health of Mechanicsburg is located at 856 Century Drive in Lower Allen Township. The urgent care center is open seven days a week: Monday-Friday 8am to 8pm; Saturday-Sunday 9am to 6pm. Orthopaedic appointments are also available. For more information, visit www.osshealth.com.

Mike Enriquez, COO of OSS Health (center left) and Jeff Palm, Executive Director of the Mechanicsburg Chamber of Commerce (center right), cut the ribbon to celebrate OSS Health's grand opening.
