## Tender Years opens center in Mechanicsburg

Mechanicsburg, PA — August 20, 2013 — Tender Years, Inc., a family-owned early childhood development center, recently hosted an open house and celebrated the opening of its brand new facility with a ribbon cutting ceremony with the Mechanicsburg Chamber of Commerce.

Founded in 1983 by Betty L. Krebs, Tender Years offers licensed, part-time and full-time Early Childhood programs for infants, young toddlers and older toddlers. Licensed and certified Preschool, Pre-Kindergarten, and Kindergarten programs are also offered, as well as Before & After School, Kindergarten Enrichment Programs and Summer Camps.

In July, after decades of operation in Camp Hill and Hershey, Krebs opened her third state-of-the-art child development center, bringing her passion for quality care to Mechanicsburg. “Both of my children were interested in sharing our program with Mechanicsburg, so it seemed the perfect time and opportunity!,” said Krebs. The center is located within the newly-developed Walden Community in Silver Spring Township.

Aside from the standard-based curriculum, students are also taught American Sign Language, Spanish language, and science. The center also boasts state of the art playground areas, separated into appropriate age group areas.

The center is currently enrolling students. Children 6 weeks through 12 years of age may be enrolled. For more information, visit [www.tenderyears.com](http://www.tenderyears.com) or call 717-590-7050.
