

2019 Annual Dinner Sponsorship Opportunities

The Chamber's Annual Dinner, set for Wednesday, January 16 at the Mechanicsburg Club, brings members together in a prime networking setting. It is also a time to celebrate the Chamber's efforts and growth, to look ahead as new leadership takes its place, and to enjoy good food, drink and entertainment. This year's keynote speaker is AAU Sullivan Award winner Jessica Long. Born in Siberia with fibular hemimelia, Jessica was adopted by an American family at 13 months old and underwent her first of many surgeries, amputation of her lower legs, at 18 months old. Jessica will take us on her journey from Russian orphanage to becoming the second-most decorated US Paralympic athlete of all time. She is currently training for her fifth Paralympic Games in Tokyo 2020.
