Your LOCAL GUIDE will meet you at your hotel and will conduct a tour to SANDWICH – the oldest town on Cape Cod. Sandwich became the site of one of America’s largest glass factories, an industry that flourished during the 19th century. This quaint and quiet seaside community is the hometown of Thornton Burgess, naturalist and author of 170 children’s books.

Next, you will travel to America’s Hometown – PLYMOUTH. As one of the country’s first settlements it is well known in the United States for its historical value. Picture stops will be made at the Plymouth Rock, the traditional site of disembarkation of the Pilgrims in 1620 and at the Forefather’s Monument, the largest, solid granite monument in the United States. It stands facing the harbor, welcoming those who come by water.

Admission is included today at PLIMOUTH PLANTATION, the first permanent European settlement in Southern New England. It is the site of a living museum dedicated to recreating 17th century life ways in the New World with the Wampanoags. Step back in time as costumed interpreters portray residents of the colony.
