Hair Counselors – Now Open An Upscale Black Owned Salon

Mechanicsburg, PA — June 24, 2021 —Hair Counselors, an upscale black owned salon, opened its doors earlier this year amongst the strains of the pandemic. Located off the Carlisle Pike in Mechanicsburg, PA, this new salon provides professional hair services for all type of hair textures regardless of your ethnicity. The salon also offers educational training classes to licensed stylists, students and individuals looking to learn more about how to properly care for their hair.

Business owners Tennille Hill and Zannetta Jackson, natives of Philadelphia, both have a Masters in mental health counseling, are licensed in Cosmetology and each have a Cosmetology teachers license. Together they have created a comfortable salon culture where clients can receive any desired professional hair service while being educated on proper hair care and personal well-being. “Our vision is to be the motivational force catapulting licensed cosmetologists beyond their limits and to strive to be the game changer in Cosmetology, modeling a cognitive behavioral and person centered approach” stated Tennille and Zannetta.

Looking for a relaxed environment with a client centered approach and both professional and educated stylists, visit Hair Counselors at 5002 Lenker St., Suite 109, Mechanicsburg. For more information, visit www.haircounselors.com or call (717) 695-3264 to schedule an appointment.
