Central PA Wedding Shows to Begin February 20

Five in-person wedding shows from 2/20/22 thru 3/27/22

HD Entertainment, the area's only all-female, award-winning DJ company is excited to announce their 2022 circuit of wedding shows for couples looking to plan their weddings.

"Wedding venues and vendors are in the highest demand ever right now due to reschedules and newly engaged couples, so it is never too early to plan your dream wedding. says Heather Dino-Laughman, owner of HD Entertainment and Executive Producer of Central PA Wedding Shows.

Central PA Wedding Shows are not your typical convention center ballrooms packed with over 100 vendors. Each show hosts only 20-30 vendors in total. A smaller show may mean less vendors, but the vendors are of high quality, so securing any of them is guaranteed to be a win for your wedding day.

Over \$20K in fantastic prizes available to couples in attendance. AND.... the first 50 couples to register for each show will receive a complimentary set of wedding bands.

PLUS....Each show will have not only feature individual vendor prizes from each booth but also a \$500 cash prize. At the conclusion of the Gettysburg, PA show on 3/27/22, one lucky couple will also gain \$1000 to use towards their wedding day.

Show Locations:

- 2/20 - HARRISBURG - The Conference Center at Central Penn
 - 2/27 - HANOVER - Ballroom on Broadway
- 3/13 - MECHANICSBURG -The Catering Barn at Strock Enterprises
 - 3/20 - GREENCASTLE - Green Grove Gardens
- 3/27 - BIGLERVILLE/GETTYSBURG - The Historic Round Barn

All shows run Noon- 3 p.m. with two or three time slots available for tickets.

Questions? Contact Central PA Wedding Shows at 717.850.0460, more information on Facebook and Instagram (will also find list of vendors for all shows), or emailing ido@centralpaweddingshows.com.

Renewable energy certificates (RECs) are one option for organizations looking to become more sustainable and meet renewable energy goals.

Video: https://www.youtube.com/watch?v=auVH1_En5ms

Article: <https://www.appienergy.com/news/recs/>

WHAT ARE RENEWABLE ENERGY CERTIFICATES (RECs)?

A REC is produced when a renewable energy source generates one megawatt-hour (MWh) of electricity and delivers it to the grid. RECs are certificates that then transfer the legal rights to the environmental attributes of that renewable energy to the purchaser (you). In other words, paired with electricity from the grid, renewable energy is being generated on your behalf.
