AM Strategies...
for Business Success
LUNCH Event

Tuesday, March 22
11:30 - 1:00 pm

The Basics of Estate and Long Term planning -
what you need to know NOW so you don't
LOSE what's needed later.

Enjoy a light lunch and hear from Vickie Verbos, Owner of IMOR
Financial & Attorney Patrick Cawley of Keystone Elder Law P.C.

This session will include a discussion on estate planning along with long term care planning as an important part of making sure you are structuring a plan for every stage of life both personally and in business. It's important to assess how planning early can ensure that bills will get paid and assets can be preserved for the unexpected events that impact everyday life. It's never too early to plan for the unknown of tomorrow.

Event Location:

Buhrig's Gathering Place -
25 E Main St, Mechanicsburg - Parking available
(any Buhrig lot) - off Strawberry Alley.
Complimentary breakfast fare included.

Free Event for Chamber Members. Non-Member \$10.00
Please email - info@mechanicsburgchamber.org to register

Central PA Wedding Shows in March

Entertainment
All-Female
DJ COMPANY

**In-person wedding shows
NOW thru 3/27/22**

HD Entertainment, the area's only all-female, award-winning DJ company is excited to announce their 2022 circuit of wedding shows for couples looking to plan their weddings.

"Wedding venues and vendors are in the highest demand ever right now due to reschedules and newly engaged couples, so it is never too early to plan your dream wedding. says Heather Dino-Laughman, owner of HD Entertainment and Executive Producer of Central PA Wedding Shows.

Central PA Wedding Shows are not your typical convention center ballrooms packed with over 100 vendors. Each show hosts only 20-30 vendors in total. A smaller show may mean less vendors, but the vendors are of high quality, so securing any of them is guaranteed to be a win for your wedding day.

Over \$20K in fantastic prizes available to couples in attendance. AND.... the first 50 couples to register for each show will receive a complimentary set of wedding bands.

PLUS....Each show will have not only feature individual vendor prizes from each booth but also a \$500 cash prize. At the conclusion of the Gettysburg, PA show on 3/27/22, one lucky couple will also gain \$1000 to use towards their wedding day.

Show Locations:

- 3/13 - MECHANICSBURG -The Catering Barn at Strock Enterprises
- 3/20 - GREENCASTLE - Green Grove Gardens
- 3/27 - BIGLERVILLE/GETTYSBURG - The Historic Round Barn

All shows run Noon- 3 p.m. with two or three time slots available for tickets.

Questions? Contact Central PA Wedding Shows at 717.850.0460, more information on Facebook and Instagram (will also find list of vendors for all shows), or emailing ido@centralpaweddingshows.com.

Mark your calendars for March Webinars

SUMMER CAMPS 2022

Jr. Adventures in Game Design

Kids become game builders for a week! Learn computer science concepts by creating various Scratch Jr. Games.

Modding with MINECRAFT®

Build your very own Minecraft Mods including weapons, armor, food, and biomes. Kids will learn all about making their own modpacks.

INTRO TO ROBLOX

Power your imagination by learning the basics of Roblox or continuing with more advanced game concepts! (Requires a Roblox Classic Tier account)

Light Camera Action

Become a YouTuber

Kids will learn how to record, edit, modify, and upload their own videos to YouTube. Your child can be the next YouTube star like their favorite YouTubers!

Stop Motion ANIMATION

Ninjas learn how to make Stop Motion Animation movies. You child will capture, edit, and use all the techniques required to make their own film.

S.T.E.M Discoveries

This camps unleashes kid's imagination piece-by-piece and bit-by-bit as they build with circuits and practice computational tinkering with various creative hands-on projects

Moviemaking with MINECRAFT®

Kids unleash their creativity through Storytelling in Scratch! Express themselves and learn to code their own animations.

NEXT LEVEL ROBLOX

Ninjas will take their skills to the next level as they learn coding fundamentals and dig deeper into the game-making side of Roblox using the Lua programming language. They will showcase their game, play their peers' games, and publish their creation to the Roblox world.

3D DESIGN PRINT

Through adventures in 3D Printing, Ninjas will explore design thinking and the innovative proves as they learn to prototype and test new creations

Adventures in game design

Ninjas will explore different programming concepts as they create various games inspired by Breakout, Snake, Flappy Bird, and more using a block-based programming language called Scratch.

Code your own Arcade (MakeCode)

Ninjas will create retro-style arcade games with Microsoft MakeCode Arcade. Ninjas combine the power of coding with game design to enhance their programming skills and develop games inspired by classic platformers, adventure games, and more!

Code your own Robot in MINECRAFT

Ninjas will use code to control a robot in Minecraft Education Edition®. Through simple programming, they'll apply complex computer science concepts to automate parts of Minecraft® such as farming, digging and more. Ninjas will use concepts like loops and functions to code crazy things like spawning hundreds of chickens from the sky!

Robotics with Lego

Ninjas learn the fundamentals of how to design, build and code an autonomous LEGO robots. These activities will prepare ninjas for the upcoming First Lego League season if they choose to compete

Intro to web development

Ninjas will learn about creative website development by building their own website and fan page. Ninjas will gain a foundational understanding of HTML and CSS. Using these essential computing languages, Ninjas will publish websites and share links to showcase what they've learned.
