Canine daycare destination opens promoting exercise and education

Mechanicsburg, PA — **Dogtopia** recently celebrated the Grand Opening of their South-Central Pennsylvania location with a ribbon cutting ceremony by the Mechanicsburg Chamber of Commerce.

Having more than 180 locations across North America, **Dogtopia** is the leading destination for dog daycare, boarding and spa services. Their mission is to make sure all four-legged, tail-wagging family members are kept safe and have a fun time when visiting their modern, open-play facility.

The facility comes with spacious, supervised playrooms in which dogs are placed according to their size, temperament and play style to ensure a safe and comfortable environment. Also offered is an off-leash, open-play environment, allowing each pup total freedom. In striving to meet all scheduling needs, half-day or full-day daycare is provided and if there are some pampering needs, spa services are available onsite and can be added as a part of the daycare and boarding packages.

Dogtopia also understands the positive impact dogs bring to the lives of others and through the **Dogtopia Foundation** they strive to enable dogs to positively change the world. This foundation is a funding program focused on three worthy causes: Service Dogs for Veterans, Youth Literacy Programs and Employment Initiatives for Adults with Autism. Their motto is 'Fetch it Forward'.

Dogtopia, 4900 Carlisle Pike, Ste 102, Mechanicsburg is open - Monday – Friday – 7:00am to 7:00pm & Saturday – 9:00am to 5:00pm. For more information on their services or the foundation call 717-660-0560 or to fill out a contact form, visit <https://www.dogtopia.com/mechanicsburg/>.
