# AM Strategies... for Business Success

Tuesday, June 28

LUNCH EVENT

11:30am - 1:00pm

Some people are wise in their own eyes while others seek to increase in learning. Nothing will kill a great employee faster than watching leadership tolerate a bad one.

Hear from Dr. Tracey Jones, Tremendous Leadership

as she speaks about two imaginary characters in her book – Bridgett and Burnett – who represent the motivations found within each of us, regardless of our age, gender, race, faith, or nationality. This modern-day workplace parable tells the story about those who desire discipline, as well as those who despise it. This contemporary classic gives leaders the sound wisdom, courage, and confidence to do what they need to do.

Dr. Tracey C. Jones is a global leadership expert in followership, self-efficacy, and igniting organizational fires in teams. She earned her leadership stripes early in life, working in fast food, retail, and hospitality. Dr. Jones then served as a commissioned officer in the United States Air Force and a semiconductor and defense contracting project manager. Eventually, she returned home in 2009 to carry forward the legacy of Tremendous Leadership started by her father, Charlie "Tremendous" Jones, in 1965.

Dr. Jones has authored eleven books whose singular purpose is to ignite accountability, ownership, and camaraderie in every age, stage, and life context. Her company also serves to help others by funding local scholarships, homeless shelters, animal rescues, disaster relief services, and literacy programs.

# THE FOUNDATION FOR ENHANCING COMMUNITIES

Are you a nonprofit that has been considering starting  
an agency fund NOW is the perfect time to start!

An Agency Fund is an endowment fund established by a nonprofit organization with the goal of creating a permanent source of funding for your organization and is the only fund a nonprofit may establish on its own. You can depend on this yearly income as either a new funding stream for your organization or a way to continue to grow your endowment by reinvesting it back into your agency fund.

The Foundation for Enhancing Communities (TFEC) will be hosting two informational sessions for nonprofits that are considering establishing an agency fund with TFEC or are interested in learning more about how this fund can help you achieve your long-term goals. Attendees will also receive a digital toolkit filled with resources.

**KICKSTART YOUR ENDOWMENT GROWTH**  
We're giving away \$5,000!

**Any nonprofit organization that:**

- attends the June 7th virtual sessions; establishes an Agency Fund with TFEC;
- and has a minimum \$500 balance in their fund by October 1, 2022,  
will be eligible to participate in a drawing to receive a \$2,500 grant to their agency fund!

TFEC will be randomly drawing two winners to kickstart their agency  
endowment-building efforts!

## Stress-Free Spring Cleaning

While cleaning a house top to bottom may not top your bucket list, it is a wise ritual to reduce seasonal allergy sniffles and launch a bright, sunny, healthy spring. Use these tips to embrace spring cleaning with open arms.

Allergens abound as the weather warms, and there's never been a better time to clean your house from top to bottom. While cleaning a house may not top your bucket list, it is a wise ritual to reduce seasonal allergy sniffles and launch a bright, sunny, healthy spring. Use these tips to embrace spring cleaning with open arms.

## Create a Plan

Break down the daunting task of scrubbing your whole home into manageable chunks that allow you to see success. Create a checklist for each room that outlines what needs to be cleaned, how it should be cleaned, and what the end result should be.

For example, here is a plan for a bathroom:

- Remove all towels and linens, including shower curtain, to be washed
- Remove all products and toiletries and dispose of any that are not in regular use or are very old
- Remove all trash and disinfect trash receptacle
- Spray tub, toilet, and sink with multi-purpose cleaner and allow to sit
- Use glass cleaner on all mirrored surfaces
- Dust and polish light fixtures; replace any mismatched or ailing bulbs and check for signs of wear
- Remove exhaust fan grate and clean; replace
- Scrub tub from top down; use bristle brush to deep-clean grout
- Scrub toilet bowl and wipe down toilet exterior with bleach wipes
- Scrub sink and polish metal faucet; dry
- Wipe interiors of cabinets and drawers; replace liners as needed
- Wipe down baseboards with damp cloth
- Scrub floor and wipe dry
- Replace fresh towels and retained products and toiletries

This amount of detail will empower family members to divide and conquer the workload. Remember to clean from the top down—if you polish the coffee table and shampoo the carpet, don't spoil your hard work by then dusting the ceiling fan.
