LUNCH EVENT

11:30am - 1:00pm

Some people are wise in their own eyes while others seek to increase in learning. Nothing will kill a great employee faster than watching leadership tolerate a bad one.

Hear from Dr. Tracey Jones, Tremendous Leadership

as she speaks about two imaginary characters in her book – Bridgett and Burnett – who represent the motivations found within each of us, regardless of our age, gender, race, faith, or nationality. This modern-day workplace parable tells the story about those who desire discipline, as well as those who despise it. This contemporary classic gives leaders the sound wisdom, courage, and confidence to do what they need to do.

Dr. Tracey C. Jones is a global leadership expert in followership, self-efficacy, and igniting organizational fires in teams. She earned her leadership stripes early in life, working in fast food, retail, and hospitality. Dr. Jones then served as a commissioned officer in the United States Air Force and a semiconductor and defense contracting project manager. Eventually, she returned home in 2009 to carry forward the legacy of Tremendous Leadership started by her father, Charlie "Tremendous" Jones, in 1965.

Dr. Jones has authored eleven books whose singular purpose is to ignite accountability, ownership, and camaraderie in every age, stage, and life context. Her company also serves to help others by funding local scholarships, homeless shelters, animal rescues, disaster relief services, and literacy programs.

THE FOUNDATION FOR ENHANCING COMMUNITIES

Are you a nonprofit that has been considering starting
an agency fund NOW is the perfect time to start!

An Agency Fund is an endowment fund established by a nonprofit organization with the goal of creating a permanent source of funding for your organization and is the only fund a nonprofit may establish on its own. You can depend on this yearly income as either a new funding stream for your organization or a way to continue to grow your endowment by reinvesting it back into your agency fund.

The Foundation for Enhancing Communities (TFEC) will be hosting two informational sessions for nonprofits that are considering establishing an agency fund with TFEC or are interested in learning more about how this fund can help you achieve your long-term goals. Attendees will also receive a digital toolkit filled with resources.

KICKSTART YOUR ENDOWMENT GROWTH
We're giving away \$5,000!

Any nonprofit organization that:

- attends the June 7th virtual sessions; establishes an Agency Fund with TFEC;
- and has a minimum \$500 balance in their fund by October 1, 2022,
will be eligible to participate in a drawing to receive a \$2,500 grant to their agency fund!

TFEC will be randomly drawing two winners to kickstart their agency
endowment-building efforts!

BIG BROTHERS BIG SISTERS OF THE CAPITAL REGION RECEIVES \$1.1 MILLION DONATION FROM MACKENZIE SCOTT TO TRANSFORM MENTORSHIP IN SERVICE AREA

Harrisburg, PA (5/24/2022) — Big Brothers Big Sisters of the Capital Region announced today its aim to transform mentorship in local communities has been boosted by an unprecedented gift of \$1.1 million. The gift, from philanthropist MacKenzie Scott, supports the organization in furthering its mission to ensure young people have access to powerful mentoring experiences that empower them with a plan for their future and a mentor whose impact lasts a lifetime.

Today, nearly 11 million kids live in poverty and more than 13 million young people experience emotional, behavioral, or developmental conditions like depression. And during the height of the pandemic, 20 percent of youth served by Big Brothers Big Sisters nationally lost contact with an important adult in their lives. This year, Big Brothers Big Sisters of the Capital Region has experienced a significant increase in child applications across their five-county service area: Cumberland, Dauphin, Lancaster, Lebanon and Perry. The organization has more than 100 young people, known as "Littles," waiting to be matched with mentors, known as "Bigs."

This unprecedented investment is the largest donation from a single individual in the organization's history and serves as a powerful message in recognizing the importance of investing in mentorship to build and strengthen communities and society as a whole.

Amy Rote, President & CEO of Big Brothers Big Sisters of the Capital Region says, "This generous gift will provide opportunities to collaborate and create partnerships so we can expand our services. It's more than an investment it is bringing innovation and transformation to mentorship for the youth and families in our region. We can't do this alone, we invite our community to join us and defend the potential of our young people today and for generations to come."

Big Brothers Big Sisters of the Capital Region believes no one person, organization or gift alone can drive the significant impact mentorship can have on a young person's life. It takes a village of mentors, volunteers, and donors to positively impact young people's lives. This investment in Big Brothers Big Sisters of the Capital Region and its community is an invitation for more people and partners to join in transforming mentorship for young people today and for generations to come.

To learn more about Big Brothers Big Sisters of the Capital Region and get involved as a mentor, volunteer, donor, or community partner, visit CAPBIGS.ORG.

Lions Mission: "We Serve"

Who are the Lions?

Founded in Chicago, Illinois, in 1917 by businessman Melvin Jones. Since its inception, Lions Clubs International has been dedicated to helping those less fortunate in their communities and around the world. In 1925, Helen Keller challenged the members to be "knights of the blind." "We Serve" became the association's official motto in 1954.

Stress-Free Spring Cleaning

While cleaning a house top to bottom may not top your bucket list, it is a wise ritual to reduce seasonal allergy sniffles and launch a bright, sunny, healthy spring. Use these tips to embrace spring cleaning with open arms.

Allergens abound as the weather warms, and there's never been a better time to clean your house from top to bottom. While cleaning a house may not top your bucket list, it is a wise ritual to reduce seasonal allergy sniffles and launch a bright, sunny, healthy spring. Use these tips to embrace spring cleaning with open arms.

Create a Plan

Break down the daunting task of scrubbing your whole home into manageable chunks that allow you to see success. Create a checklist for each room that outlines what needs to be cleaned, how it should be cleaned, and what the end result should be.

For example, here is a plan for a bathroom:

- Remove all towels and linens, including shower curtain, to be washed
- Remove all products and toiletries and dispose of any that are not in regular use or are very old
- Remove all trash and disinfect trash receptacle
- Spray tub, toilet, and sink with multi-purpose cleaner and allow to sit
- Use glass cleaner on all mirrored surfaces
- Dust and polish light fixtures; replace any mismatched or ailing bulbs and check for signs of wear
- Remove exhaust fan grate and clean; replace
- Scrub tub from top down; use bristle brush to deep-clean grout
- Scrub toilet bowl and wipe down toilet exterior with bleach wipes
- Scrub sink and polish metal faucet; dry
- Wipe interiors of cabinets and drawers; replace liners as needed
- Wipe down baseboards with damp cloth
- Scrub floor and wipe dry
- Replace fresh towels and retained products and toiletries

This amount of detail will empower family members to divide and conquer the workload. Remember to clean from the top down—if you polish the coffee table and shampoo the carpet, don't spoil your hard work by then dusting the ceiling fan.
