BELCO COMMUNITY CREDIT UNION CELEBRATES AMERICA SAVES WEEK

With 42% of Americans having less than \$1,000 in savings as of 2022, and 10% of Americans having no savings at all, debt has become one of the biggest challenges to a financially secure future. That's a fact Belco Community Credit Union, headquartered in Harrisburg, PA, hopes to change. Belco is participating in America Saves Week, a nationwide annual call to action for the average American to commit to saving successfully and is educating members and employees on how to build financial stability through saving.

Celebrated Monday, February 27 through Friday, March 3, the 2023 America Saves Week theme is "A Financially Confident You." Over 3,700 organizations, including Belco Community Credit Union, will spend the week encouraging individuals to do a financial check-in, set savings goals, and create a plan to achieve those goals.

"People need trusted financial help, especially as we prepare for the unknowns of inflation and rising interest rates. At Belco, we emphasize improving the financial well-being of all our members, many of whom are younger adults, as well as growing families," says Amey Sgrignoli, President and CEO of Belco Community Credit Union. "Whether the financial challenges are from job loss or credit card debt, Belco is a partner to help people improve their financial standing and credit. Just as importantly, Belco wants to ensure our 250 team members are well-equipped to handle their own financial situations. That's why Team Belco has 40 Certified Credit Union Financial Counselors on staff to help members understand their finances, save more money, and be able to survive through difficulties."

Anyone interested in speaking to someone about your financial situation and how Belco can assist in helping to reach their goals is encouraged to stop by any of Belco's 15 convenient branch locations throughout southcentral PA.

"Financial health for the entire community is our goal, and we believe that simple steps to start saving today will have a profound impact on a person's life and future," says Sgrignoli.

Belco will also mark America Saves Week with a series of social media posts and branch digital sign messages reminding members about the importance of saving.
Each day of the week has a focus:

Thursday, March 2 – Paying Down Debt Is Saving
Friday, March 3 – Saving at Any Age

Facts about Saving:

- 42% of Americans have less than \$1,000 in savings as of 2022.
- The average American savings account balance is \$4,500.
 - 10% of Americans have no savings.
- From 1959-2022, the average U.S. savings rate has been 8.96%.
- The average household savings rate in the U.S. was only 5.1% in the second half of 2022.
 - In total, gross personal savings in the U.S. is worth \$2.3 trillion.

Lost Have you seen this sheep?

Dear Merchants,

Would you be willing to play a game of Hide and Seek with us this spring? St. Luke's Episcopal Church is sponsoring a **Sheep Trail** through Mechanicsburg!

We will provide

- a 12" plush sheep for you to name and hide in your business with its name tag
- an 8-1/2" x 11" paper sign to display in your front window
- a handful of paper Sheep Trail Cards for families to pick up and complete

Sheep Trail through Mechanicsburg:

Families will be invited to visit each participating merchant to record your sheep's name on their Sheep Trail Card. All ages can play. One entry per person. For each completed and correct Sheep Trail Card returned to St. Luke's Church, we will make a \$10 donation to Heifer International. Heifer's mission is to end hunger and poverty in a sustainable way by supporting and investing alongside local farmers and their communities. They are active in 19 countries including the USA.

www.heifer.org.

A completed Trail Card will be drawn at random for a prize TBD May 21.

There is no cost to you, just hopefully some benefit in exposure from advertising. If you decide to participate, a sheep will be brought to you April 7 or 8. (No need to feed or water. They promise to be well-behaved.) The completed Sheep Trail Cards will be due to the Church by May 20, and sheep will be rounded up during the week following.

Please contact Carol Henry, Children and Youth Ministry Team Leader, at St. Luke's if you'd like to host a sheep this spring. We will appreciate your response by March 15, please, so we can hire some sheep! We hope to have a minimum of ten merchants play along.

Thanks so much for your consideration and support of this fundraiser for Heifer International.

Identity theft and fraud are on the rise; F&M Trust offers resources to public, customers

CHAMBERSBURG, Pa. – Since 2019, the number of incidents of fraud and identity theft reported in the United States has increased from 3.4 million to 5.9 million – nearly 74 percent. With statistics like this, chances are very good that you or someone you know has been the target of identity theft or fraud.

Pennsylvania and Maryland have some of the highest rates of these crimes in the country. Pennsylvania (14th) and Maryland (12th) rank in the top 20 for identity theft reports per 100,000 people and in the top 10 (Pennsylvania, No. 7; Maryland, No. 2) for other fraud and scams.*

It takes an average of 18 months for a victim to recover from the damage done to their credit or their reputation. F&M Trust knows how troubling this can be and provides a variety of resources for people to protect themselves from identity theft and fraud on the Money Moves section of its website.

There one can find such articles as:

- [How to Protect Yourself After a Data Breach](#)
- [How Scammers Posing as Grandkids are Stealing Thousands of Dollars](#)
- [How to Avoid a Student Loan Debt Relief Scam](#)
- [How to Spot a Charity Scammer](#)
- [Everything You Need to Know About Gift Card Scams](#)

The bank also offers identity theft aid through its YourBux benefits program as part of its YourWay Plus and YourWay Premier checking accounts. Here are some other helpful tips to protect against identity theft and fraud, provided by F&M Trust Security Officer Ray Wills:

- Review your credit report at least annually. Get a free credit report at www.annualcreditreport.com or contact any of the three credit reporting agencies (Experian, Equifax, TransUnion).
- Consider placing a free credit freeze on your report. This makes it difficult for identity thieves to open new accounts in your name because most creditors need to see your credit report before they approve a new account.
- You may want to place a fraud alert on your file if your personal identifying information has been exposed but you haven't been the victim of identity theft.
- If a company responsible for exposing your information offers you free credit monitoring, take advantage of it.
- File your income taxes as early as you can. Scammers will use your Social Security number to get a tax refund or even apply for a job. Respond to letters (not calls, emails or text messages) from the IRS immediately.

Victims of identity theft or fraud should file a report with the Federal Trade Commission (FTC) at <https://reportfraud.ftc.gov>. Each report helps the FTC and its partners in law enforcement to take action to stop scams and impersonators.

If you would like to speak to F&M Trust Security Officer Ray Wills for more information about identity theft or fraud, please contact F&M Trust Corporate Communications Joel Huffer at 717-262-7565 or joel.huffer@f-mtrust.com.

*These statistics were compiled by the Federal Trade Commission with Officer data from the Consumer Financial Protection Bureau, Social Security Administration, Internet Crime Complaint Center, and various state law enforcement agencies.
