Fish for Free Coming Up This Weekend!

On Sunday, May 28, the Pennsylvania Fish and Boat Commission (PFBC) will host a Fish for Free day to allow anyone (resident or non-resident) to legally fish on all Pennsylvania waterways. No license is required, but all other fishing regulations still apply.

This is the first of two dates set by the PFBC to enhance fishing opportunities. The next day is Independence Day, Tuesday, July 4. This is a great way to expose the next generation of anglers to the outdoors. **More information about fishing in Pennsylvania is available here.**

IMPORTANT ANNOUNCEMENT

MECHANICSBURG VIDEO PROJECT

We have received a number of inquiries regarding being contacted by representatives of CGI Digital. Here is a little more information concerning the project.

CGI Digital of Rochester, NY is working in partnership with the Borough of Mechanicsburg to create an entire video series about the area to show off everything that makes the community a great place to live, work, and raise a family. The main goal of the project is to serve as a digital welcome for all the new residents, visitors, and businesses to show them everything available to them in the community.

The videos will be showcased on the official municipal website for the borough -
<https://mechanicsburgpa.org/>.

Click here for the Video Press Release

They are creating several videos highlighting aspects of the communities such as Welcome, Education & Workforce Development, Economic Development, Quality of Life, Recreation, Small Businesses, and Community Organizations! We are highlighting some of the top businesses and organizations in the area, including education services in the area.

The Chamber of Commerce will be working with CGI Digital and the Borough to mirror the video presentations.

If you are contacted by a representative of CGI, be assured that it is a legitimate project.

UPMC Hosts Free Community Health Education Events

UPMC in Central Pa. is hosting a series of community health presentations this spring, virtually and in-person throughout the region.

Light refreshments or dinner will accompany in-person events. For virtual presentations, participants simply need a computer or smart device with internet access to take part. UPMC experts will discuss a variety of important health topics.

To register, please call 717-231-8900 or visit the link listed below each event.

Managing your Migraines and Headaches

Tuesday, June 6, 6 p.m.,
Lisa's Cafe on Chocolate at the Hershey Story Museum,
63 W. Chocolate Ave., Hershey

June is Migraine awareness month. Learn about different types of headaches and the pathways of treatment. Experts will share what you can do to help your physicians diagnose your condition.

YOUR BUSINESS + EITC

USE TAX CREDITS TO MAKE A DIFFERENCE IN THE LIVES OF LOCAL STUDENTS

The Educational Improvement & Opportunity Scholarship Tax Credit Programs provide credits to eligible businesses contributing to an Opportunity Scholarship Organization. These tax credit programs allow area businesses to get involved with our community through education by providing funding to eligible students to attend the right school for them.

The Foundation for Enhancing Communities (TFEC) is eligible to receive funds for the Opportunity Scholarship Tax Credit Program (OSTC).

Tax credits may be applied against the tax liability of a business for the tax year in which the contribution was made. Tax credits are utilized after your tax liability is established – reducing your actual tax bill, dollar-for-dollar.

Tax credits equal to 75 percent of its contribution up to a maximum of \$750,000 per taxable year. This may be increased to 90 percent of the contribution, if business agrees to provide same amount for two consecutive tax years.

TFEC will provide tuition to eligible students who reside within the attendance boundary of a low achieving school who wish to attend a participating nonprofit school or a participating private school, or a special education school. Tuition to be paid will include school related fees charged by the school. TFEC will provide tuition to students in the south central PA counties of Cumberland, Dauphin, Franklin, Lebanon, Northern York and Perry. Eligible students are ages K-12, or are of the age at which they graduate from a secondary school, with financial need as determined by the Pennsylvania Department of Community & Economic Development (DCED) guidelines. Families apply for funds through an application process managed by TFEC team. Within our five-county region, there are fifteen schools in four school districts that are considered the lowest 15% of achieving schools in Pennsylvania.

If you have any questions, please contact info@tfec.org or call the TFEC office at 717.236.5040.
