MID PENN BANK RECEIVES REGULATORY APPROVAL TO OPEN CARLISLE FINANCIAL CENTER

Mid Penn Bank (the “Bank”), a wholly-owned subsidiary of Mid Penn Bancorp, Inc. (“Mid Penn”) (Nasdaq: MPB), has received approval from the Pennsylvania Department of Banking and Securities and the Federal Deposit Insurance Corporation to open a new full-service retail financial center in Cumberland County at 1196 Walnut Bottom Road, Carlisle, PA 17015.

The new office is the Bank’s first full-service financial center in Carlisle, and the fourth in Cumberland County. The Bank anticipates opening the office in September 2023, following renovations.

“We are delighted to be expanding into Carlisle by adding a full-service retail location on Walnut Bottom Road. We have been providing best-in-class service to residents and businesses in Carlisle for years, and we are excited to provide a more convenient location for them,” Chief Retail Officer Joan Dickinson said. “We are also eager to introduce Mid Penn’s brand of banking and community support to the other organizations, residents, and businesses throughout the area.”

Vice President Taryn Walters will manage the Financial Center and oversee the retail activities and day-to-day operations of the new office. She and her retail team members will provide the best business and personal banking services in the area. Customers will be able to conduct traditional banking and account servicing, and have access to a comprehensive offering of trust, wealth management, and insurance solutions.

Mid Penn Bank, headquartered in Millersburg, Pennsylvania, has been serving the community since 1868. The Bank operates 48 retail locations throughout the Commonwealth of Pennsylvania and central New Jersey, and has total assets of approximately \$5 billion. Mid Penn offers a comprehensive portfolio of financial products and services to meet the banking needs of the communities it serves. To learn more, please visit www.midpennbank.com.

Small Businesses Affected by Drought in Cumberland and Surrounding Pennsylvania Counties Have Until Aug. 21 to Apply for SBA Working Capital Disaster Loans

The U.S. Small Business Administration (SBA) is reminding small businesses, small agricultural cooperatives, small businesses engaged in aquaculture and most private nonprofit organizations (PNPs) that Aug. 21, 2023 is the filing deadline for federal Economic Injury Disaster Loan applications due to drought that occurred July 1 through Sept. 30, 2022.

Low-interest disaster loans are available in Cumberland County and the adjacent counties of Adams, Dauphin, Franklin, Perry and York in Pennsylvania.

Under this declaration, the SBA's Economic Injury Disaster Loan (EIDL) program is available to eligible farm-related and nonfarm-related entities that suffered financial losses as a direct result of this disaster. Apart from aquaculture enterprises, SBA cannot provide disaster loans to agricultural producers, farmers and ranchers. Nurseries are eligible to apply for economic injury disaster loans for losses caused by drought conditions.

The loan amount can be up to \$2 million with interest rates of 2.935 percent for small businesses and 1.875 percent for private nonprofit organizations, with terms up to 30 years. The SBA determines eligibility based on the size of the applicant, type of activity and its financial resources. Loan amounts and terms are set by the SBA and are based on each applicant's financial condition. These working capital loans may be used to pay fixed debts, payroll, accounts payable, and other bills that could have been paid had the disaster not occurred. The loans are not intended to replace lost sales or profits. Applicants may apply online using the Electronic Loan Application (ELA) via the SBA's secure website at DisasterLoanAssistance.sba.gov/ela/s/ and should apply under SBA declaration # 17746.

Disaster loan information and application forms may also be obtained by calling the SBA's Customer Service Center at 800-659-2955 (if you are deaf, hard of hearing, or have a speech disability, please dial 7-1-1 to access telecommunications relay services), or by sending an email to DisasterCustomerService@sba.gov. Loan applications can be downloaded from the SBA's website at sba.gov/disaster. Completed applications should be mailed to: U.S. Small Business Administration, Processing and Disbursement Center, 14925 Kingsport Road, Fort Worth, TX 76155.

Submit completed loan applications to SBA no later than Aug. 21, 2023.

About the U.S. Small Business Administration

Recently, U.S. SBA Administrator Isabella Casillas Guzman announced a policy change granting 12 months of no payments and 0 percent interest. This pertains to all disaster loans approved in response to disasters declared on or after Sept. 21, 2022, through Sept. 30, 2023. This policy change will benefit disaster survivors and help them to decrease the overall cost of recovery by reducing the amount of accrued interest they must repay. Details are available through the SBA Disaster Assistance Customer Service Center at 800-659-2955. Individuals with verbal or hearing impairments may dial 7-1-1 to access telecommunications relay services from 8 a.m. to 8 p.m. ET, Monday to Friday, or email: DisasterCustomerService@sba.gov.

The U.S. Small Business Administration helps power the American dream of business ownership. As the only go-to resource and voice for small businesses backed by the strength of the federal government, the SBA empowers entrepreneurs and small business owners with the resources and support they need to start, grow or expand their businesses, or recover from a declared disaster. It delivers services through an extensive network of SBA field offices and partnerships with public and private organizations. To learn more, visit www.sba.gov.

Little Theatre of Mechanicsburg

Summer is upon us and the theatre is in between seasons, now is when we focus on tasks that cannot be done while a show is in progress.

Our first task we want to tackle is paint scraping. We would like to scrape the many layers of paint off the walls and flats that have been used and repainted for each show and do any minor repairs/fill in holes to create a new, clean surface to start the 73rd season. If you are interested, please let us know. Thank you for your support of Little Theatre of Mechanicsburg. We appreciate you!!

Registration open for annual golf outing

The Wildcat Foundation is now accepting registrations for its 14th Annual Golf Outing scheduled for Friday, Aug. 18 at Carlisle Barracks Golf Course.

The event opens at noon for registration with a 1 p.m. shotgun start for the four-person scramble format. Cost is \$85 per golfer which includes lunch, dinner and the opportunity to take part in longest-drive, closest-to-the-pin, and hole-in-one contests. Raffles and auctions include the opportunity to bid on various prizes, including an annual membership to Carlisle Barracks Golf Club—a \$1,300 value!

Registration is available online for golfers and sponsors.

Funds from the event support the foundation's mission to strengthen the educational, cultural, wellness and athletic programs of the Mechanicsburg Area School District.

Established in 1998, the foundation has awarded grants to the MASD education community since 2001. In total, the foundation has provided nearly \$2,000,000 in funds for programs and projects. It recently wrapped up its grant distribution cycle for the year, releasing close to \$90,000 in funds to school district programs.
