CAEDC Relocating to Hampden Township in September

The Cumberland Area Economic Development Corporation (CAEDC) will be moving its offices from downtown Carlisle to 230 S. Sporting Hill Road, Mechanicsburg in Hampden Township this September.

The move will consolidate CAEDC's warehousing space along with its office space into a 4,700 +/- square foot flex building and will also allow for more parking as CAEDC's team continues to grow.

"The relocation will better allow for workspace collaboration in our new hybrid in-office approach, as well as connect us closer to one of our thriving business communities in Hampden Township" said CAEDC Executive Director, Janet Anderson.

"I am pleased to welcome CAEDC and their staff into our building, and wish the organization continued success and good fortune as it serves the Cumberland County region" said building owner, Bob Schopfer of RLS Construction

CAEDC currently occupies office space in the lower level of the Carlisle Borough building on 53 W. South St., which has been its home for the last decade.

"We thank the Carlisle Borough for giving us residence in the Borough building over the last 10 years and their attentiveness to CAEDC's needs," said Anderson.

Campbell Commercial Real Estate, Inc. represented CAEDC in the search to relocate their current office to their new home in Hampden Township. Art Campbell, Jessica Gasper and Tesla Blood of the Campbell team combined their years of experience in the commercial real estate industry to fulfill the needs of CAEDC in support of the continuing growth of the organization.

An Open House is planned at the new office space for tourism and economic development partners in Q4 2023.

CAEDC is Cumberland County's authorized agency charged with leveraging and promoting Cumberland Valley's economic development and tourism assets to drive growth, create jobs and improve the quality of life with a unique organizational structure that integrates economic development and tourism promotion services to provide a paramount resource for businesses, non-profits, local municipalities, and residents. For more information, visit www.cumberlandbusiness.com and www.visitcumberlandvalley.com.

Small Businesses Affected by Drought in Cumberland and Surrounding Pennsylvania Counties Have Until Aug. 21 to Apply for SBA Working Capital Disaster Loans

The U.S. Small Business Administration (SBA) is reminding small businesses, small agricultural cooperatives, small businesses engaged in aquaculture and most private nonprofit organizations (PNPs) that Aug. 21, 2023 is the filing deadline for federal Economic Injury Disaster Loan applications due to drought that occurred July 1 through Sept. 30, 2022.

Low-interest disaster loans are available in Cumberland County and the adjacent counties of Adams, Dauphin, Franklin, Perry and York in Pennsylvania.

Under this declaration, the SBA's Economic Injury Disaster Loan (EIDL) program is available to eligible farm-related and nonfarm-related entities that suffered financial losses as a direct result of this disaster. Apart from aquaculture enterprises, SBA cannot provide disaster loans to agricultural producers, farmers and ranchers. Nurseries are eligible to apply for economic injury disaster loans for losses caused by drought conditions.

The loan amount can be up to \$2 million with interest rates of 2.935 percent for small businesses and 1.875 percent for private nonprofit organizations, with terms up to 30 years. The SBA determines eligibility based on the size of the applicant, type of activity and its financial resources. Loan amounts and terms are set by the SBA and are based on each applicant's financial condition. These working capital loans may be used to pay fixed debts, payroll, accounts payable, and other bills that could have been paid had the disaster not occurred. The loans are not intended to replace lost sales or profits. Applicants may apply online using the Electronic Loan Application (ELA) via the SBA's secure website at DisasterLoanAssistance.sba.gov/ela/s/ and should apply under SBA declaration # 17746.

Disaster loan information and application forms may also be obtained by calling the SBA's Customer Service Center at 800-659-2955 (if you are deaf, hard of hearing, or have a speech disability, please dial 7-1-1 to access telecommunications relay services), or by sending an email to DisasterCustomerService@sba.gov. Loan applications can be downloaded from the SBA's website at sba.gov/disaster. Completed applications should be mailed to: U.S. Small Business Administration, Processing and Disbursement Center, 14925 Kingsport Road, Fort Worth, TX 76155.

Submit completed loan applications to SBA no later than Aug. 21, 2023.

About the U.S. Small Business Administration

Recently, U.S. SBA Administrator Isabella Casillas Guzman announced a policy change granting 12 months of no payments and 0 percent interest. This pertains to all disaster loans approved in response to disasters declared on or after Sept. 21, 2022, through Sept. 30, 2023. This policy change will benefit disaster survivors and help them to decrease the overall cost of recovery by reducing the amount of accrued interest they must repay. Details are available through the SBA Disaster Assistance Customer Service Center at 800-659-2955. Individuals with verbal or hearing impairments may dial 7-1-1 to access telecommunications relay services from 8 a.m. to 8 p.m. ET, Monday to Friday, or email: DisasterCustomerService@sba.gov.

The U.S. Small Business Administration helps power the American dream of business ownership. As the only go-to resource and voice for small businesses backed by the strength of the federal government, the SBA empowers entrepreneurs and small business owners with the resources and support they need to start, grow or expand their businesses, or recover from a declared disaster. It delivers services through an extensive network of SBA field offices and partnerships with public and private organizations. To learn more, visit www.sba.gov.
