Meet the Chamber's 2022 Charity of Choice: GFWC Mechanicsburg Program for Veterans

General Federation of Women's Club Mechanicsburg (GFWC) President Pam Fleck:

"It is so wonderful for the Mechanicsburg Chamber of Commerce to recognize the efforts of GFWC Mechanicsburg members by selecting them as the chamber's "Charity of Choice" this year! The grant from the chamber will be utilized to assist in the club's undertakings to support the tiny home village for homeless veterans!

GFWC Mechanicsburg is currently working with Veterans Outreach to outfit the 15 tiny homes being constructed for homeless veterans in Central PA. The members will be purchasing and pre-washing towels, sheets, etc. to set up the beds and bathrooms with necessities. A fundraiser was held by the club this past March, "Flavors of Mechanicsburg", to help raise money for the project. Over \$3,000 was raised during the event. All money raised by GFWC Mechanicsburg stays locally to support community organizations like the Simpson Library, New Hope Ministries After School program, Cumberland/Perry Counties Domestic Violence Shelter (signature project of GFWC) and others. The Mechanicsburg Museum was founded by this club!

GFWC Mechanicsburg is an active member in the Mechanicsburg Chamber of Commerce as well and really appreciates the support given by the chamber! Jeff Palm and staff were of great help with setting up our event last March and is always available as a resource. Being nominated as the "charity of choice" this year is such an honor and we appreciate the recognition of our work!"

Veterans Outreach of Pennsylvania and the tiny home village:

Veterans Outreach is a 501(c)3 nonprofit organization whose mission is to combat homelessness among Veterans by providing support and services needed to promote an empowered life filled with strength and purpose. The Veterans Tiny Home Village is being constructed on a 5-acre parcel along the Susquehanna River that was generously donated by a private family. The village will consist of 15 tiny homes surrounding a Community Center that will provide needed services to assist in the transition to more permanent housing.

GFWC Mechanicsburg's contribution to this project will provide the necessary linens and personal care items needed by the residents during their tenure at the village. This supply will not benefit the veteran just as they live in their home at the village, but will become their personal property as they move on to their permanent home. The GFWC Mechanicsburg is looking to provide an ample supply of products to offer a base for resupply through numerous transitions.

Information on GFWC Mechanicsburg can be found at their website:

September is National Preparedness Month. We have seen a significant shortfall in blood donations over the past month, making it hard to keep pace with the need for blood products. Blood donations that go uncollected due to climate-related events, such as hurricanes, wildfires, & extreme heat, can put further strain on the national blood supply. As extreme weather events worsen, the Red Cross is seeing that translate into more blood drive cancellations. In 2022, over 1,300 blood drives were canceled due to weather, about 23% higher than the average of the prior 9 years. Help **STOP THE SHORTFALL - COME TO DONATE** & get a **T-SHIRT** at the drive PLUS a coupon for a **FREE SPORT CLIPS HAIRCUT** by email, AND be entered to win a **VIP NASCAR TRIP FOR 2!**

The need for blood is constant and only volunteer donors can fulfill that need for patients in our community. Nationwide, someone needs a unit of blood every 2 to 3 seconds and most of us will need blood in our lifetime.

Thank you for supporting the American Red Cross blood program!

CAEDC Launches Two Tourism Grants

The Cumberland Area Economic Development Corporation (CAEDC) through its destination marketing arm, the Cumberland Valley Visitors Bureau, is announcing the return of tourism-focused grants. The returning Tourism Product Development Grant and a new grant, the Tourism Recovery Grant, will launch on Monday, August 28th.

The Tourism Product Development (TPD) Grant is intended to increase the number of products, experiences and services that draw overnight visitors to the Cumberland Valley. Awarded grant projects will increase the number of visits, length of stays and spending by visitors in the County. Applicants for the TPD Grant can request between \$25,000-250,000 (previous TPD grant capped at \$100,000).

The Tourism Product Development Grant has been on hiatus since mid-2020.

The new Tourism Recovery Grant is designed to help tourism-related industries recover from the Covid-19 Pandemic. Applicants can request between \$2,500-\$10,000 in funding for this program. The grant can be utilized for the purchase of machinery and equipment, marketing to new audiences, development of new experiences and deferred maintenance that increases tourism or enhance the visitor experience.

For both programs, applicants must provide at least \$0.50 match for each dollar awarded. “We’re excited to re-launch tourism grant opportunities for many businesses in the Cumberland Valley as they continue to rebuild and find new ways to highlight our area as a tourism destination” said CAEDC Marketing Manager, Ashley Kurtz.

CAEDC began offering tourism grants in 2010 and has awarded over \$1.9 million to 199 projects. Notable grant projects include a large outdoor entertainment area at Midway Bowling Alley, two Escape Rooms at Grand Illusion Hard Cider, portions of the Cumberland Valley Rail Trail, including the Conrail Museum, a new performance space at the Central Pennsylvania Youth Ballet, and a tasting room at Winery At The Long Shot Farm.

The Winery at The Long Shot Farm Co-Owner Tina Weyant said “We have been growing grapes and berries in the Cumberland Valley for many years, and we are so thankful for the generous support from CAEDC, allowing us to share our passion for making wine.”

Interested applicants should contact Ashley Kurtz, CAEDC’s Marketing Manager at AKurtz@VisitCumberlandValley.com.

CAEDC is Accepting Applications for LSA Grants

The Local Share Account (LSA), a statewide grant program opened on Friday, September 1, 2023 and interested non-profit applicants can apply through the Cumberland Area Economic Development Corporation (CAEDC).

CAEDC is seeking applicants who are a non-profit organization, need funding for projects between \$25,000-\$1,000,000, and either have an economic development component, or grow overnight stays for visitors in the region.

Eligible uses include:

- Acquisition
- Construction
- Demolition
- Infrastructure
- Purchase of vehicles, machinery and/or equipment (excluding uniforms, protective equipment, consumable supplies, and furniture)
- Planning, consulting, and design costs related to planning projects.
- Engineering, design, and inspection, to include permitting fees, for construction projects not to exceed 10% of the total grant award.
- Administrative costs of the grantee for the purposes of administering the grant. Administrative costs may not exceed 2% of the total grant request.
- Contingency costs not to exceed 5% of documented construction and infrastructure costs.

Interested, qualified applicants can apply on CAEDC's online application at CumberlandBusiness.com/lsa-application or by contacting staff.

The Application window is September 1- November 30, 2023.

The LSA Grant is funded through the PA Race Horse Development and Gaming Act (Act 2004-71), as amended, which provides for the distribution of gaming revenues through the Commonwealth Financing Authority (CFA) to support projects in the public interest within the Commonwealth of Pennsylvania.
