Kerry's ACE Hardware builds a new presence in Mechanicsburg

Mechanicsburg, PA — November 3, 2023 —**Kerry's ACE Hardware** recently celebrated its Grand Opening with a ribbon cutting ceremony with the Mechanicsburg Chamber of Commerce and the West Shore Chamber of Commerce.

Kerry's Lawn & Garden Equipment Center has been a mainstay serving the central Pennsylvania area's equipment needs since 1975. Under new ownership in 2021, Kerry's has expanded its offerings to include **Kerry's ACE Hardware**. With the inclusion of the full inventory of ACE Hardware, Kerry's has the ability to provide the home and business owner with all the required supplies and equipment to maintain home, lawn, and business needs.

Owner Bryan Sheldon had been a part of the Kerry's family for years before purchasing the business. "We are a true family-owned business and strive to offer the best service and sales location for you," said Mr. Sheldon. The buildings of the Kerry's complex have been remodeled and expanded providing separate homes for the ACE Hardware and the Lawn & Garden Equipment service and sales areas. This has allowed an expansion of products and services for both arms housed at this location.

Kerry's ACE Hardware carries all the major brand names that ACE Hardware is known for. A full line of plumbing, electrical, lighting, and building supplies are complemented with home and décor offerings, paint, hardware, tools, and storage items. **Kerry's ACE Hardware** also has outdoor
