## PSP Youth Camp Accepting Applications

The Pennsylvania State Police (PSP), in collaboration with the Pennsylvania National Guard and the Pennsylvania American Legion, is now accepting applications for its annual youth camp. The Elmer Hafer–American Legion–State Police–National Guard Youth Camp will take place June 7–13, at Messiah University in Mechanicsburg.

The six-day program is for teenagers ages 15 to 17 who are interested in exploring careers in Pennsylvania law enforcement or the military. Cadets will take part in a wide range of hands-on learning experiences and physical fitness training designed to build their understanding of law enforcement as well as their confidence, teamwork, and leadership abilities.

The camp is staffed by members of the PSP, the Pennsylvania Army National Guard, and the American Legion. At the conclusion of the program, three cadets will each receive a \$1,000 scholarship.

Candidates should be physically fit, in good health, and maintain a strong academic record. Cadets are sponsored by local American Legion posts, so there is no cost to participate.

More information is available at [pa-legion.com](http://pa-legion.com), where applicants can access the online application.

## Blood Donation Saves Lives

Did you know that every two seconds in America, someone urgently needs blood? January is National Blood Donor Month, an opportunity to both honor voluntary blood donors and encourage new donors to help save lives. [National Blood Donor Month was first designated by proclamation of President Richard Nixon on Dec. 31, 1969.](#)

The start of the new year is one of the most challenging times to collect blood products as the threat of winter weather builds and can often lead to widespread blood drive cancellations. In addition to winter weather, an active cold and flu season may prevent people from keeping donation appointments as they rest and recover from illness.

Only 3% of Americans currently donate blood. [Learn more about blood donation and where to donate here.](#)

## PA Department of Revenue Job Openings

@SENATORKEEFER

Are you good with numbers? The Pennsylvania Department of Revenue [lists openings](#) for full-time, part-time, temporary and student positions.

The department receives and collects all of the commonwealth's General Fund tax revenue. In addition, it annually processes more than 10 million business and individual tax reports and payments.

[Positions include](#) accountants, tax examiners, research analysts, clerical

assistants and others, some of them seasonal. You can review what's currently available and subscribe for [job alerts](#) to receive automatic email notifications when new vacancies are posted in your field of interest.

## Deadline Approaching for PennDOT “Innovations Challenge”

How can artificial intelligence (AI) improve work zone safety? That's the latest Pennsylvania Department of Transportation “Innovations Challenge” for high school students.

Students are asked to develop a concept for the use of AI in work zones to dramatically improve safety for work crews and motorists. The concept should take into consideration cost-benefit information, statewide deployment implications and public outreach.

Regional winners will be invited to present their solutions to a panel of judges, who will determine the statewide winners. Teams must submit entries by Jan. 30 for a chance at a prize. Rules and submission information can be found [here](#).

***Chamber Chatter*** is published on-line every Thursday.

We encourage member businesses to send us information on sales, promotions, news and events. It is a great way to promote your business or organization.

# THE FOUNDATION FOR ENHANCING COMMUNITIES

## **The Foundation for Enhancing Communities Welcomes Kim Alvarez as Vice President of Philanthropy**

Expanding its capacity to support charitable giving and nonprofit capacity across south central Pennsylvania, The Foundation for Enhancing Communities (TFEC) has named Kim Alvarez vice president of philanthropy.

Alvarez brings more than 20 years of experience in fundraising and nonprofit leadership to TFEC, helping donors and organizations turn generosity into lasting community impact. In her role, Alvarez leads TFEC's Philanthropy Team and works closely with donors, professional advisors and nonprofit partners to grow local giving. Her approach emphasizes collaboration, clear communication, and thoughtful planning, supporting donors and professional advisors as they align charitable goals with long-term financial and estate plans.

In her role, Alvarez works to strengthen TFEC's philanthropy by building trusted relationships with the professional advisor community, and most importantly, prospective and current donors to help achieve their charitable goals. She supports individuals and families in establishing charitable funds, partners with fundholders as their giving evolves, and identifies new opportunities to grow philanthropic resources that respond to community needs.

For nonprofits, Alvarez's leadership supports increased access to funding, stronger donor relationships and clearer pathways to long-term financial stability. By aligning donor interests with community priorities, TFEC helps nonprofits focus on their missions while building sustainable support.

"Philanthropy works best when it is personal, informed and rooted in community," Alvarez said. "I'm excited to help donors and nonprofits work together to create solutions that make a real difference where people live and work."

Alvarez's addition reflects TFEC's continued commitment to strengthening philanthropy across Cumberland, Dauphin, Franklin, Lebanon and Perry Counties, as well as the Dillsburg, PA area, through investments in people, relationships and systems. Her leadership ensures TFEC is well positioned to support more complex philanthropic planning, including long-term and legacy giving, while honoring donor intent and responsible stewardship.

Professional advisors and donors interested in discussing charitable planning options are encouraged to visit [www.tfec.org](http://www.tfec.org) or email [philanthropy@tfec.org](mailto:philanthropy@tfec.org).

Please contact the PA CareerLink® Cumberland County  
at 717-243-4431 / TTY: 717-243-3236 **if you require a  
disability accommodation.**

#### Topics

Many employers and claimants have difficulty understanding the process UC uses to determine an employee's eligibility for benefits after voluntarily leaving or being discharged from a job. This presentation explains how the service center discovers the person quit or was discharged, the fact-finding process, burden of proof, the factors that are considered when making a determination, and appeal rights.

Our seminar will explain the process the UC Service Center follows when investigating and issuing determinations relating to quits and discharges, including:

- What are the steps taken in the fact-finding process?
- How is a ruling issued without fact-finding information from a party?
- What factors determine if a separation is a quit or a discharge?
- What determines burden of proof?
- How are certain exceptions under the federal Trade Readjustment Act factored into determinations?
- What additional steps are available if there is a disagreement with the determination?

#### Questions & Answers

Our skilled professionals will be available to answer your questions and help you to better understand everything about the UC program.

For more information on all aspects of unemployment compensation, go online at [www.uc.pa.gov](http://www.uc.pa.gov) and click on "Employer Services."
